

Guidelines for Use of GBRA Nolte Island Park

The Guadalupe-Blanco River Authority (GBRA) owns and operates the Nolte Island Park and graciously agreed to allow the Texas Lineman's Rodeo Association to use the park. The park is a pristine natural wildlife area and is home to many varieties of wildlife, including turkey, deer, feral hogs, birds, raccoons, skunks, snakes, insects, fireants, etc.

The GBRA has several specific rules that must be followed while on the island:

- 1) All illegal drugs are prohibited.
- 2) All firearms are prohibited, except for law enforcement officers.
- 3) All glass containers are prohibited, including bottles.
- 4) Alcoholic beverages are permitted.
- 5) Dispose of all trash and empty containers in the appropriate refuse containers placed around the island.
- 6) Each campsite guest will be responsible for cleaning area prior to departure.
- 7) No dumping of septic or wastewater from campers, motor homes, or other means on the island (Restroom facilities are available).
- 8) Portable generators may be used, however, they cannot exceed 70db in noise level. If a complaint is made, the generator must be shut down. The person or utility using the generator is fully responsible for any fuel or oil spill reporting and cleanup.
- 9) Only TLRA authorized motorized vehicles such as golf carts and ATV's will be allowed to be used on Nolte Island.
- 10) All campers and rodeo equipment must be removed from the island by 5:00 pm on Sunday, July 22, 2012.
